BENGAL—*cont.*		
To the Chief Secretary—. Enclosing a General return of shipping from the 15th. to the 22d. Instant.	February	45
To—. Enclosing copy of a dispatch received from Colonel Wellesley.	Do.	46
From—. Transmits a letter to be forwarded to the Admiral with the greatest dispatch and caution.	March ..	50
To—. Enclosing a General return of shipping from the 22d. ultimo to the 1st. Instant.	Do.	50
From—. Communicate their determination to dispatch the Force assembled at Trincomalle to co-operate in the intended attack of Egypt and the orders which have in consequence been issued to Bombay—give most particular instruction respecting the regular supply of provisions for the use of the Armament. The appointment of a special agency for this purpose explained and recommended—enclose a list of the supplies required to be furnished, and direct in what manner they are to be forwarded to the place of Rendezvous.	Do.	51
To—. In reply.	Do.	62
From—. Forwarding a letter for the Admiral.	Do.	70
From—. Encloses copy of a separate letter from the Governor-General to the Envoy at Goa preparing him for the arrival of two European Regiments from the Cape, and requests that the Commissioners in Malabar may be directed to provide for their accommodation.		70
To—. Enclosing a General return of shipping from 1st. to the 8th. Instant.	Do.	79
From the Governor-General—. Enclosing an extract from a letter from the Resident at Hydrabad containing an overture on the part of Azeem-ul-Omrah for an assignment of two talooks to the Company for the payment of the cavalry lately added to the subsidiary force; His Lordship objects to the two talooks specified, but is inclined to commute the whole subsidy for an assignment of territory contiguous to the Carnatic—requests Lord Clive's opinion as to the districts to be selected.	Do.	80
To the same—. Advances an objection to the proposed commutation with the Nizam of subsidy for territory—in the event of an assignment of Harponelly and Annagoondy suggests an exchange with the Rajah of Mysoor, of those talooks for Bangalore and the country contiguous—recommends eventually the assignment to be made in the districts of Kurpa and Sidhout—encloses a memorandum discriptive of the country bordering on the Carnatic and on the Nizam's territories.	Do.	84
From the same—. Explains his views at Hyderabad and Poonah and encloses copy of his instructions dated 6th. November 1799 and 12th. December 1800 to the Resident at those Courts—states the negotiation at Hyderabad to be in a favourable train—authorizes an increase of our military establishment on the notification of its success, and declares his intention to consult with Lord Clive on the policy of obtaining from the Nizam an assignment of territory in lieu of subsidy and on the management of the territory so to be assigned.	Do.	89
From Ditto—. Encloses the Draft of a commercial treaty proposed to be concluded between the Nizam and the Company for the consideration of the Board of Trade—He has refused to ratify a subsidiary treaty lately executed by the Resident at Hydrabad—Explains the territorial assignment	Do.	114

which he wishes to obtain to be that of all the Nizam's acquisitions from Tippoo Sultan. Aware of the difficulty of finding proper persons for the management of the districts expected to be ceded, he suggests the employment of Purniah for that purpose.		
From Ditto the Governor-General—. States his opinion on the eventual concord of the Mahratta Chiefs contiguous to the frontier of Mysoor and specifies the directions to be given to Colonel Wellesley in the event of the flight or imprisonment of Baagy Row by Scindi'a.	March	116
From Ditto—. The Treaty proposed by His Lordship to the Court of Hydrabad being about to be concluded, he gives further instructions as to the management of the country to be ceded, and requests that the funds for the future payment of the Subsidiary Force may be provided by this Government.	D°.	129
To Ditto—. States the impossibility of at once employing with effect Colonel Wellesley's force for the accomplishment of the two objects of re-establishing the Peshwah's authority and of occupying the country about to be assigned, also of the necessity of postponing the expedition against the Pychy Rajah—of the two former objects, considers the first to be of the greatest moment, but holds himself bound to carry the last into effect immediately on the conclusion of the proposed Treaty—Furnishes the Governor-General with copies of the two preceding letters.	D°.	141
To Ditto—. Proposes an arrangement for the management of the Ceded Districts and explains his reasons for recommending the appointment of a Principal Collector and for proposing to nominate Major Munro to that trust.	D°.	147
To Ditto—. States the civil and military arrangements for the occupancy of the Ceded Districts and informs the Governor-General in the event of a force being no longer to be held in readiness to advance to Poonah that troops may be spared for the service in Malabar.	D°.	173
To Ditto—. Transmits Copy of a letter to the Resident at Hydrabad.	D°.	183
From Ditto—. From the terms of the Treaty depending with the Nizam and from the Peshwah's rejection of the late overture His Lordship is of opinion that this Government will be able without difficulty to occupy the Ceded Districts and to prosecute the most vigorous measures against the Pychy Rajah—dwells on the general importance of keeping the subsidiary force at Hydrabad in a complete state.	D°.	184
From the Secretary to the Resident at Hydrabad—. Instructions attended to in the preceding letter, tending to prove that no objection is likely to be made to a delay in the march of the additional troops with the Nizam's territories.	D°.	187
To the Chief Secretary—. Enclosing a General return of shipping from the 8th. to the 22d. March.	D°.	212
To Ditto—. Enclosing a General return of shipping from 22d. to the 29th. Ditto.	D°.	213
